Dear Elanur,

You are invited to speak at the Apache Kafka® community at Kafka Summit London 2023 on May 16-17, 2023. We are looking forward to hearing your talk about Apache Flink on Kafka: Reliable Data Pipelines Everyone Can Code.

Kafka Summit will offer you a unique opportunity to engage with experts, core committers and leading production users of Apache Kafka. You will learn where project development is headed and how organizations are using Kafka for large-scale, real-time data integration and stream processing, in a variety of applications.

 The packed agenda will include technical sessions to help you:

• Get the most out of Apache Kafka
• Integrate Apache Kafka with your data stores and applications
• Build stream processing applications that seamlessly integrate with Apache Kafka

Location:
ExCel London
Royal Victoria Dock
1 Western Gateway
 London E16 1XL
United Kingdom

Be part of the streaming platform revolution at the premier event for Apache Kafka enthusiasts and join us at Kafka Summit London 2023. We look forward to your talk at the event!

Best regards,

Melissa Almgren
